### **ABOUT OUR PROGRAMS**

The Wilton YMCA provides a positive and enriching environment for children during the after school hours. Our Y is home to a CT State licensed afterschool program serving grades K thru 7. The program runs from the time of school dismissal until 6:30pm and follows the public school calendar.

At the Wilton YMCA, your children will grow and learn in a safe, friendly, and encouraging environment. We pride ourselves on our inclusive atmosphere which allows our children the opportunity for social growth. The Afterschool Program also promotes self-confidence and physical and emotional growth in children through self-discovery, varied environments, physical activity, artistic development, quiet time and homework assistance.

Classrooms are divided into four age groups: Kindergarten, Juniors (1st-2nd grade), Seniors (3rd-5th grade), and Alumni (6th-7th grade). Daily schedules and activities vary depending on the age group. However, each classroom is provided with homework time and assistance, downtime to socialize with friends, and structured activities such as gym/outdoor time, team building, arts & crafts, recreational swimming, and Club Fridays!
